Mr. Haynes.

Your hosts, the Annual Staff of 1962, invite you to join them for the **FOURTH** Birthday Party of the BELLENDANE!

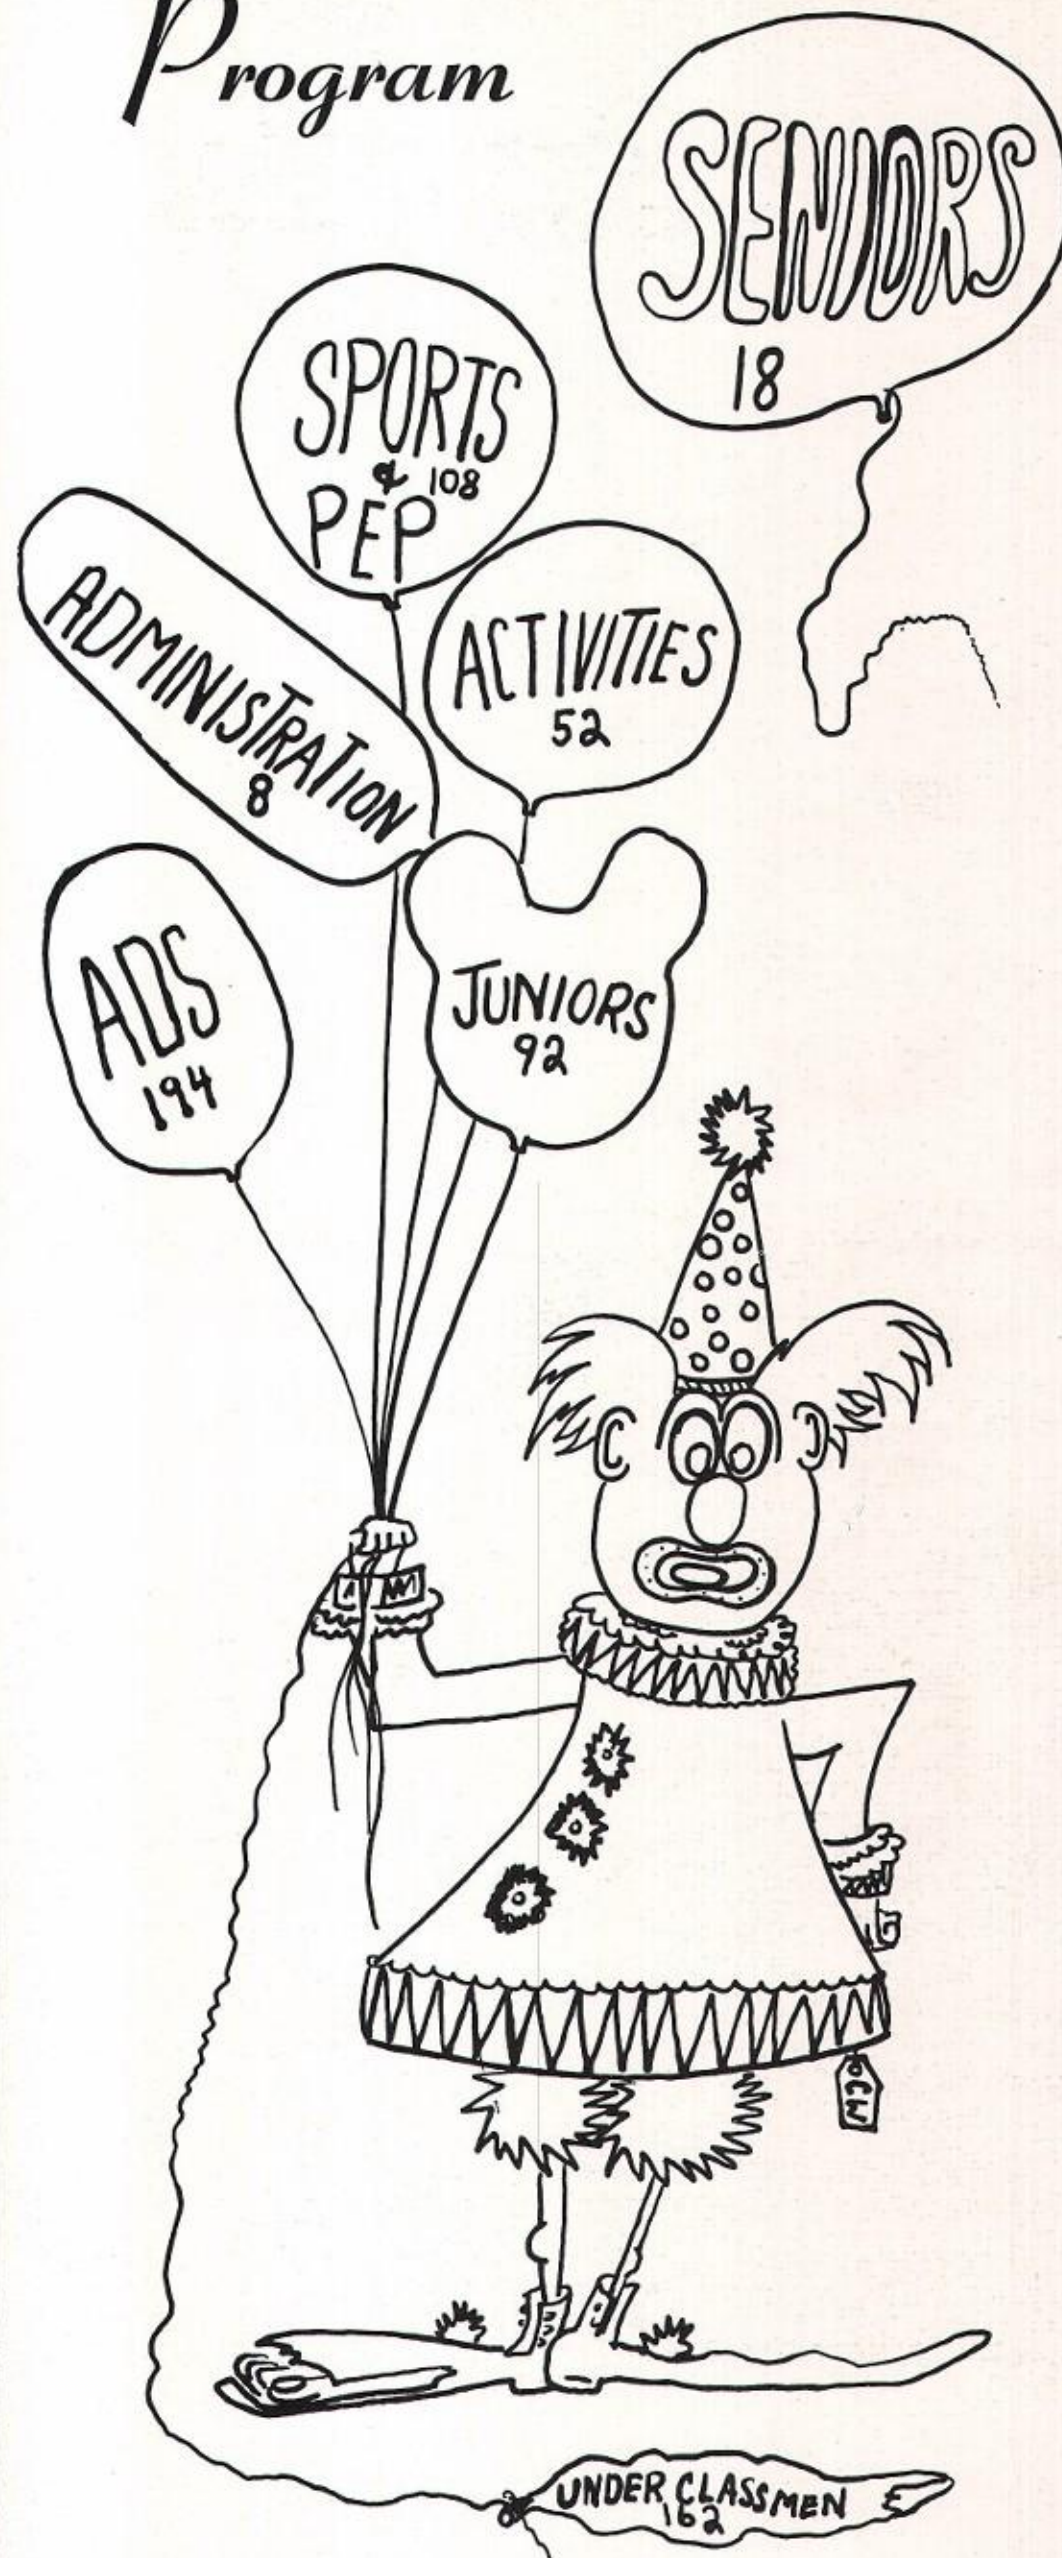

Forward

We are celebrating the FOURTH Birthday Party for the BELLENDINE, which also happens to coincide with the FOURTH Birthday of Glendora High School. The BELLENDINE first made its appearance in 1958. Its name, which is derived from a war cry of the Clan Scott, was chosen by the Student Council of that year. The name was submitted by Nancy Golden, who received the first BELLENDINE as a reward for her efforts.

Program

Dedication To

MR. GIL ROESCH

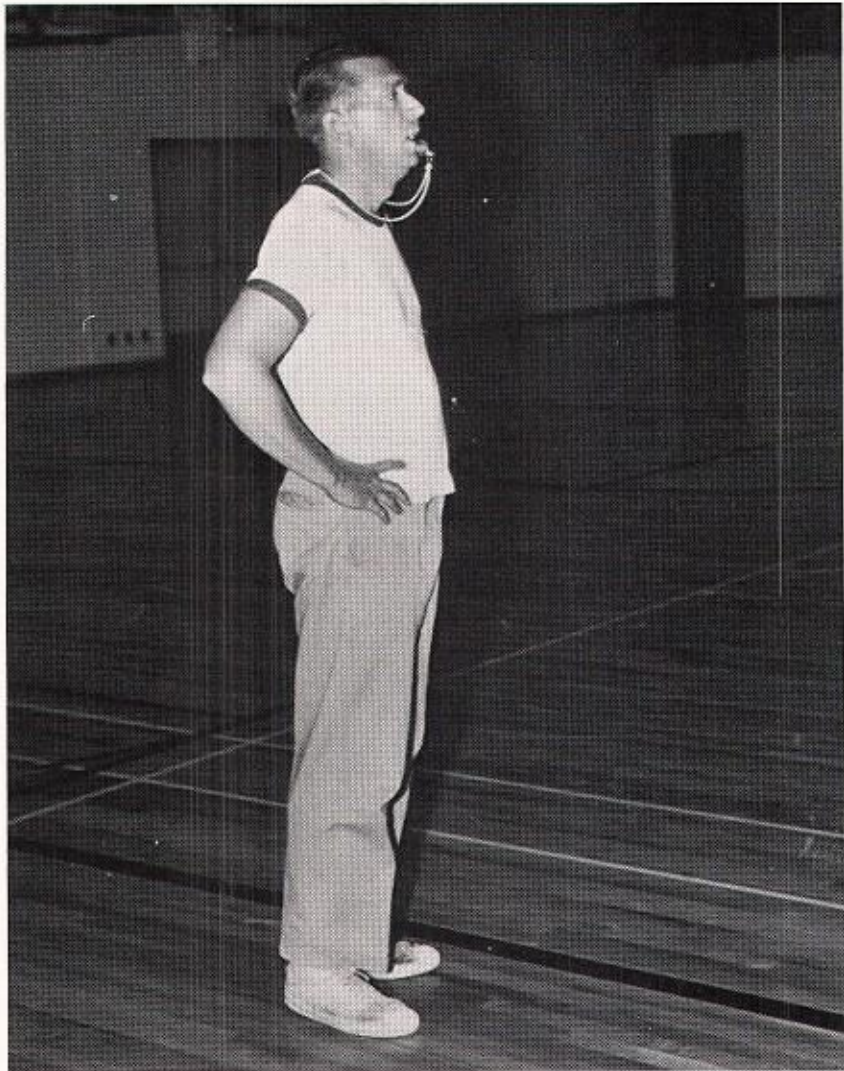

We proudly dedicate the 1962 Bellendaine to the man who put Glendora on the basketball map, Mr. Gil Roesch. Almost every team that Mr. Roesch has coached has been a C. I. F. contender. Last year Glendora reached a high-water mark by advancing to the third round. Glendora's teams have always been well-coached, possessing the ability to win "close ones" when the chips are down. Mr. Roesch has done much more than just build good teams, he has done considerable in character building and sportsmanship.

Everyone takes their hat off to our "most honored guest"--COACH ROESCH!

Time out--for a picture and lunch.

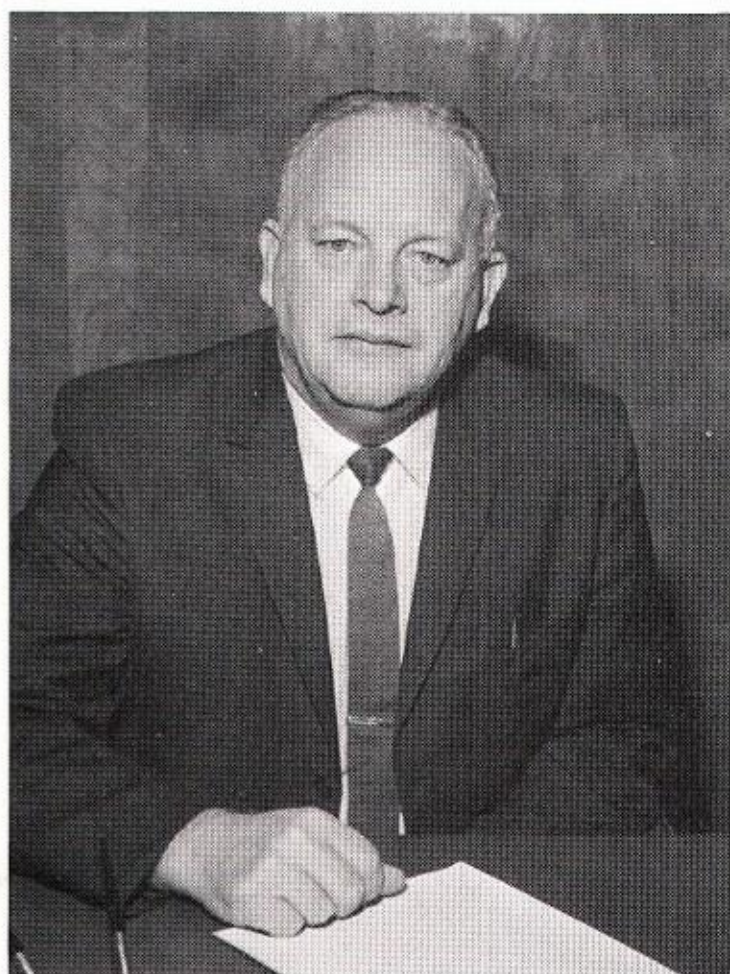

Administrators meet to discuss the master schedule for next year.

Administration

Keeping our "party" running smoothly is our administration. This, of course, is a full time job. There are hundreds of details, both small and large, serious and minor, to be attended to. No party would be complete without their fine planning, which has made Glendora High's FOUR year history worth celebrating.

The 1962 Bellendaine records in pictures and words another successful year at Glendora High. The pages of this book will bring back memories of a year filled with activities and good times. It will remind seniors of the new "Tartan Fight Song", many exciting ball games, graduation as a member of the first class to spend a full four years on the new campus, and the first year as a part of the new unified school district.

The class of 1962 has made many valuable contributions to the history of Glendora High School. We appreciate their efforts and wish them the best of success in the years ahead.

GLENDORA UNIFIED SCHOOL DISTRICT

This years marks the first for Glendora High School as a part of the Glendora Unified School District. The voters of Glendora voted in a special election to unify all the schools, elementary and secondary, of this community into a single unit. This was also done by the voters of Azusa. Up to this time Azusa High, Glendora High and Citrus Junior College formed the Citrus Union High School District.

The school year 1961-62, Glendora High School's fourth year of existence, has proved to be an exciting and a rewarding one. One of the highlights of the year was the painting of our Alma Mater on the gym wall. All members of this year's student government, who were capably led by A. S. B. President Jim Spaulding, are to be commended for a job well done.

The selection of graduation announcements is a yearly problem facing the Seniors.

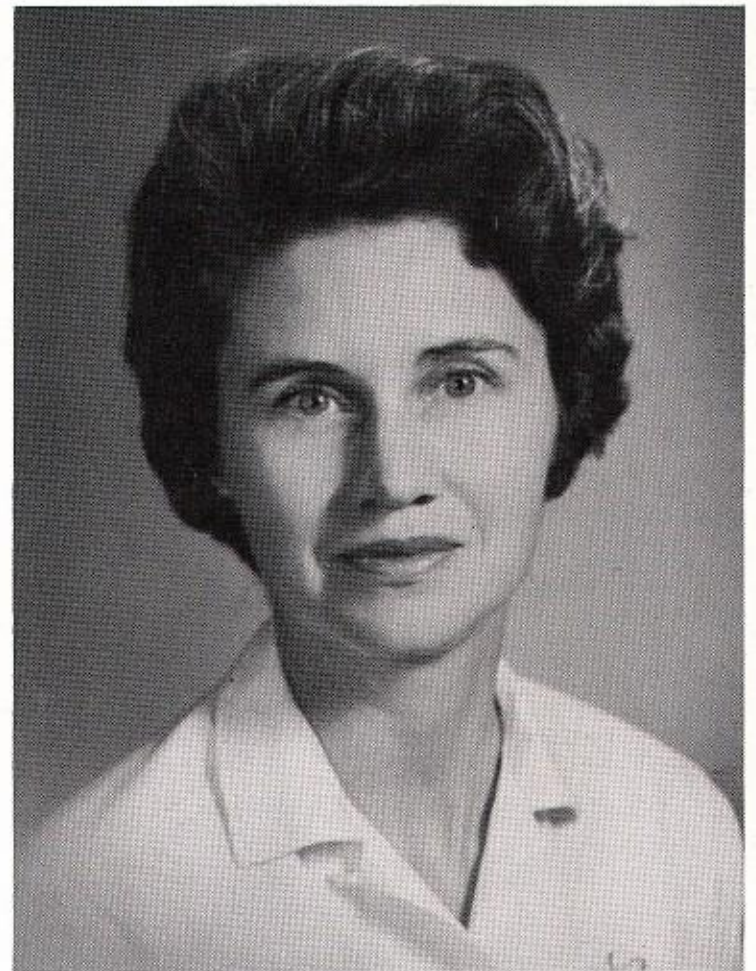

Seniors

This Senior Class is the first one to spend all FOUR years at Glendora High. They are the only class to see the changes that have taken place over the past FOUR years. They have seen Glendora grow from a student body of 1,300 to over 2,000.

Unit Administrator, MR. WAYNE HAUSER

Offering help, service,

Secretary, MRS. VIRGINIA JAYCOX

The functions of the Senior Unit are many and varied. Helping Seniors choose a college that is best suited for them is one of the many problems confronted. Seeing that all Seniors have the proper requirements for graduation, and making the preparations for graduation are also the responsibilities of this unit. Cap and gown rental and ordering of announcements also must be attended to.

Through the efforts of the Senior administrators, Seniors will be able to look back on their last year of high school with a sense of achievement.

Foreign Exchange Students

Our foreign students this year, Julia Miller and Jens Kristensen, have added a great deal to Glendora High School.

Julia, from England, enchanted everyone with her beautiful accent. She was a great help on the G. A. A. teams and was also a member of Concert Choir. She served as a princess of both the Christmas and Valentine dances.

Jens, from Denmark, was a member of the J. V. basketball and track teams. He was also in Concert Choir and added to the speech team.

If these two students enjoyed being on our campus as much as we enjoyed having them here, we will have something to be proud of.

One of the most outstanding assemblies of the year was presented by THE LETTERMEN.

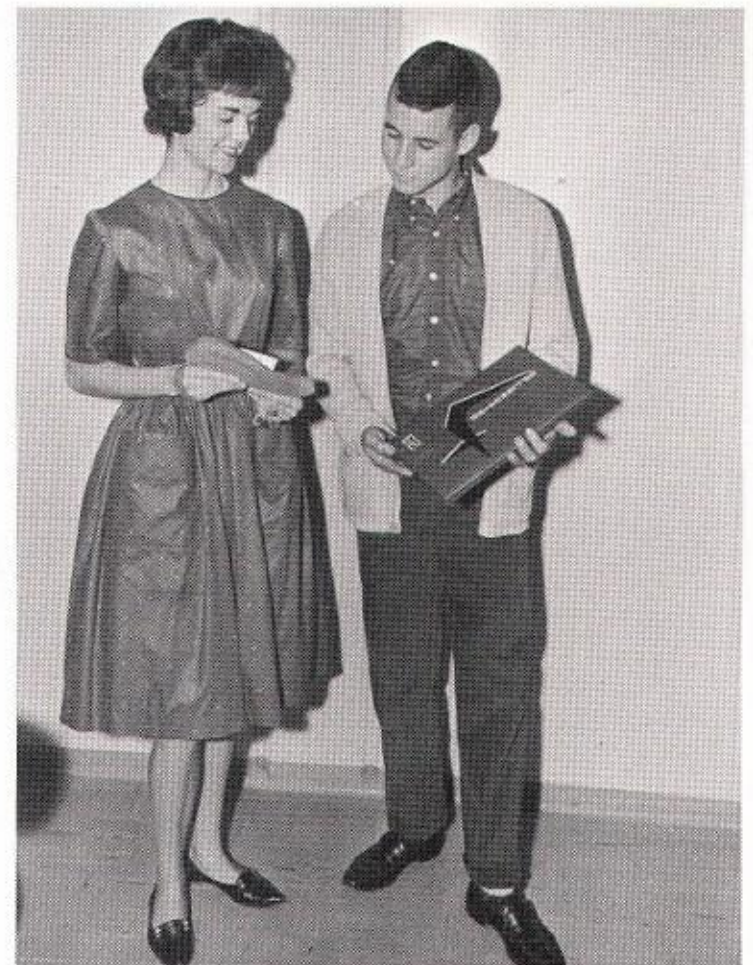

Activities and Student Life

What better way to celebrate than through Activities and Student Life? We can look back on all the exciting events of the past year, in fact back over the past FOUR years. Like the BELLENDINE many of our organizations are also celebrating their fourth birthday, and many of our activities also have a tradition of four years.

Getting in the mood for the "party" are Bus. Mgr. Patti Palmer Editor, Vickie Bliss, and Assist. Editor, Ron Weiser.

Art Editor Conrad Wozney shows cover design to Laurie Straight, Sr. Editor.

You Should Know

. . . National Merit Scholarship finalists Ron Weiser and Bob Edgell who are being congratulated by Mr. Christensen, Scholarship Counselor.

. . . Fullbright winner, Miss Mary Mohler

Miss Mohler, who has taught at Glendora High for several years, was awarded a Fullbright Teaching Grant. A very limited number of these are given each year. Miss Mohler is spending this academic school year in Japan, where she is teaching English in a Japanese school. She is also attending classes at the university in Nara, Japan. Miss Mohler and other winners attended an institute last summer at the University of Michigan to prepare themselves for their overseas teaching assignments. It is certain that Miss Mohler will have many interesting experiences to share with her classes next year.

A number of Juniors caught between periods in the Junior Unit.

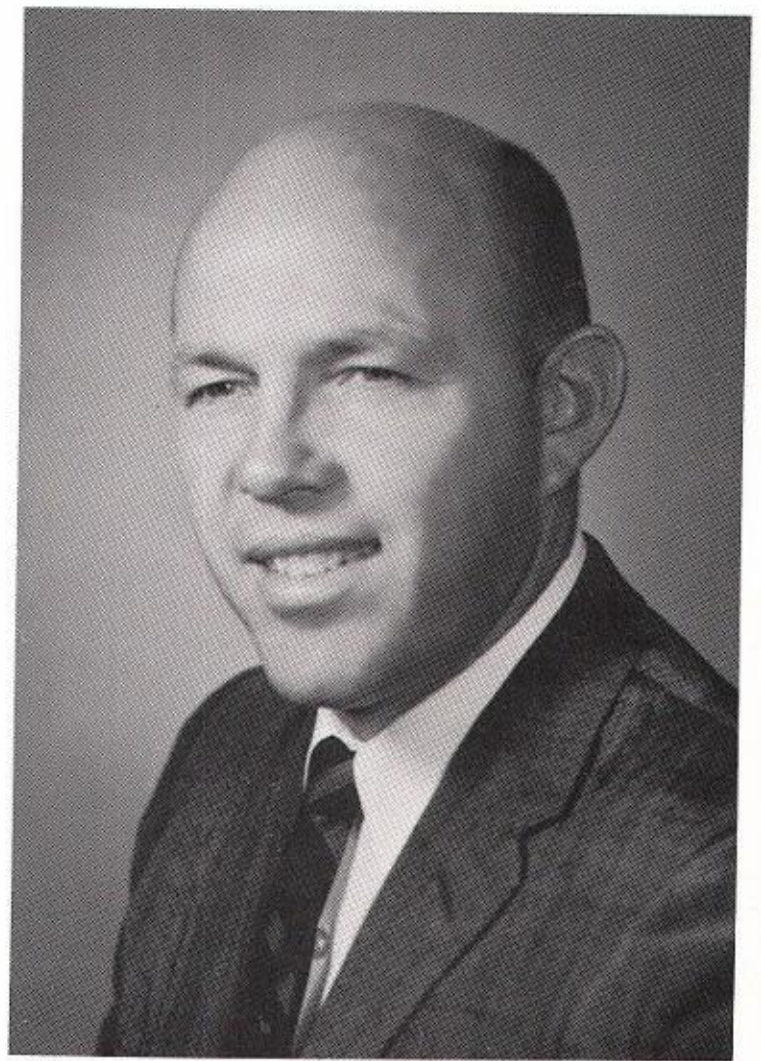

Juniors

Second class to be invited to the FOURTH Birthday party was this year's Juniors. This class has been extremely active during their tenure at Glendora High School, and will be looking forward to next year when they will be the second class to have spent all four years at Glendora High.

Unit Administrator, Mr. Jerome Donovan

Unit Counselor, Mr. Tris Hubbard
University of Redlands

Administration and

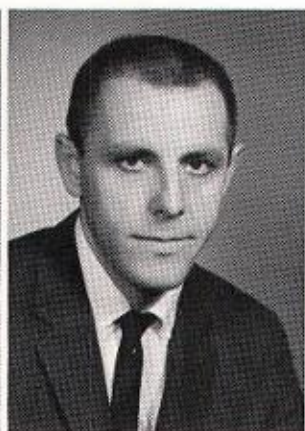

Secretary, Mrs. Muriel Abbott

This year's junior class took an active part in the activities of Glendora High by placing third for their Homecoming Float, bring back many honors for speech contests, and maintaining a large percentage in the Scholarship Club. There was a representation of juniors in all sports and in the pep groups. The class spirit was tremendous and the junior-senior prom, planned and carried out by the junior counsel, was the best ever. Certainly the class of '63 will be one of the best Glendora High School has seen.

ALMA MATER

Praise to thee Glendora, loyal we will always be
Neath our colors bright
Shining scarlet, black and white
We will fight to victory!
Hail our Alma Mater
Memories will ever be, of the oak trees high
And your mountains standing by,
Oh, hail Glendora, hail to thee!

No athletic event would be complete without singing the Alma Mater.

Sports and School Spirit

There are many teams representing Glendora in athletics, and they are always followed by our fine pep section. Whether in victory or in defeat, school spirit has never ebbed. Many times, at away games, there have been more Glendora fans than those of the home team. Our athletic program and our school spirit is worth yelling about.

Underclassmen

Last guests to be invited to the 1962 birthday party of the BELLENDINE were this year's Freshmen and Sophomores. These classes occupy the east side of the campus, with the Sophomores making up the largest class in school. Both classes were very active this year, taking part in all school activities and each sponsoring their own class dance.
